**Sinds:** December 2015 | Oprichting TCFD  
Juni 2017 | Publicatie 'Final Report: Recommendations of the TCFD'

**Gebied:** Environment

**Verplichting:** Nee, vrijwillig

**Gebaseerd op:** x

**Informatie:** "The FSB Task Force on Climate-related Financial Disclosures (TCFD) will develop **voluntary, consistent climate-related financial risk disclosures** for use by companies in providing information to investors, lenders, insurers, and other stakeholders.  
The Task Force will consider the physical, liability and transition risks associated with climate change and what constitutes effective financial disclosures across industries.  
The work and recommendations of the Task Force will help companies understand what financial markets want from disclosure in order to measure and respond to climate change risks, and encourage firms to align their disclosures with investors' needs." [Bron]

## *Wat doen pensioenfondsen? (1/2)*

### **Pensioenfonds ABP:**

‘Climate change has huge consequences for society and the economy, and thus also for investors. ABP takes the consequences of climate change for the investment portfolio seriously. In this annex, we describe which activities ABP is undertaking to identify and manage climate risks and opportunities. In this report, we follow the framework as developed by the Task Force on Climate-related Financial Disclosures (TCFD).’ [\[Bron\]](#)

### **Pensioenfonds van de Metalektro (PME):**

‘Na 2017 volgt uitbouw en doorrol van het dialoog klimaat programma naar 2021. De markt ontwikkelt zich snel op het gebied van klimaat-gerelateerde kansen en risico indicatoren. De laatste inzichten zullen in deze doorrol en bij de selectie van nieuwe bedrijven worden meegenomen. Het raamerk zoals uiteengezet door de Task Force on Climate-Related Financial Disclosure (TCFD) zal een belangrijke rol spelen.’ [\[Bron\]](#)
